Eugenia,

No problem. Lend Lease submitted revised versions of all the documents on 4/30/2012—I'll upload those for you. Let me know if you would like the earlier versions as well.

The versions I'll be uploading are:

Title	Version	Doc. Date	HEER Doc. No.
Removal Action Report (RAR)	F03	4/27/2012	99314
Remedial Investigation Report (RI)	D05	4/27/2012	99315
Environmental Hazard Evaluation (EHE)	D05	4/27/2012	99316
Remedial Alternatives Analysis (RAA)	D07	4/26/2012	99317
Response Action Memorandum (RAM)	D02	4/26/2012	99318
Environmental Hazard Management Plan (EHMP)	F01	4/24/2012	99319
Land Use Control Inventory Document (LUCID)	F01	4/20/2012	99320

I'm also uploading a copy of my 4/10/2012 comment letter, which these versions are responding to. (I think I may not have sent you a copy of my letter when it went out; sorry about that.)

At the moment I'm in the middle of commenting on this set of documents—I'll send you a copy of my comments when they're completed.

I'll be out for the rest of the morning on a site visit, but if you have any questions please leave me a message and I'll call or email ASAP.

Thanks,

--

Subject: hickam EHMP and LUCID docs

aloha Eric,

We went to the database you had given us earlier to look for the Hickam EHMP and the LUCID reports, but it looks like all docs have been removed. sorry I didn't download everything initially. could you either reload these two docs onto the database or email them to Dan Stralka at stralka.daniel@epa.gov and myself?

mahalo,
Eugenia
